

# INDEX.

N.B.—The figures in parentheses after the names of members of the Smythies Family indicate where the principal references to each individual will be found, both in the Pedigree and in the Genealogical Notes. If the figures have no letter in front of them they refer to the early portion of the Pedigree; if preceded by the letter A they refer to Pedigree A, and if preceded by the letter B to Pedigree B, with corresponding Genealogical Notes in each case.
